Who are Anthesis?

Established in 2009, we are a UK based company specialising in ERP software and services.

As an Infor Channel Partner, we sell and implement ERP software, as well as providing technical and functional consultancy and ongoing Managed Services designed to help reduce your total cost of ownership.

Anthesis Customers.

Our customers are at the heart of everything we do. Our success is helping our customers grow and achieve their business objectives.

We tell our story through our customers' success stories.

The logo for RALEIGH, featuring a stylized red 'R' followed by the word 'RALEIGH' in a bold, black, sans-serif font.The logo for Barbour, featuring the word 'Barbour' in a bold, green, serif font.The logo for Finsbury Food Group, featuring a stylized blue 'F' followed by the word 'Finsbury' in a bold, blue, sans-serif font, and 'Food Group' in a smaller, blue, sans-serif font below it.The logo for petainer, featuring a stylized blue and yellow triangle followed by the word 'petainer' in a bold, grey, sans-serif font.The logo for Chemring Countermeasures, featuring the word 'Chemring' in a bold, blue, sans-serif font, and 'Countermeasures' in a smaller, blue, sans-serif font below it.The logo for Ornua, featuring the word 'Ornua' in a bold, green, sans-serif font, and 'THE HOME OF IRISH DAIRY' in a smaller, green, sans-serif font below it.

Why choose Anthesis?

We know exactly what to do:

Anthesis consultants have an average of 15 years' experience.

We've done it many times before:

We have completed more than 275 projects in 25 different countries.

We will tell it like it is:

Whether consulting, software sales or service delivery, we will speak honestly and directly.

We are always the right size:

We are not too big to care and not too small to have an impact.

We are in it for the long term:

We are growing our team and investing in people.

Anthesis Managed Services.

Is your team tied up with Infor M3 issues?

Anthesis Managed Services can help you manage your application, freeing up your team to focus on the right priorities.

Our service is designed as an extension of your IT department, allowing you to focus on the essential improvement projects that will drive your business success and leave the day-to-day system and user issues to us.

Anthesis

Anthesis

Customer Success Story.

Anthesis genuinely listened to us, took time to fully understand our business model and processes, and scoped out a flexible Managed Services contract which could scale. As well as great leadership and integrity, the team connects us to an unparalleled network of solutions and support and is a genuine business partner.

Anthesis

Customer Success Story.

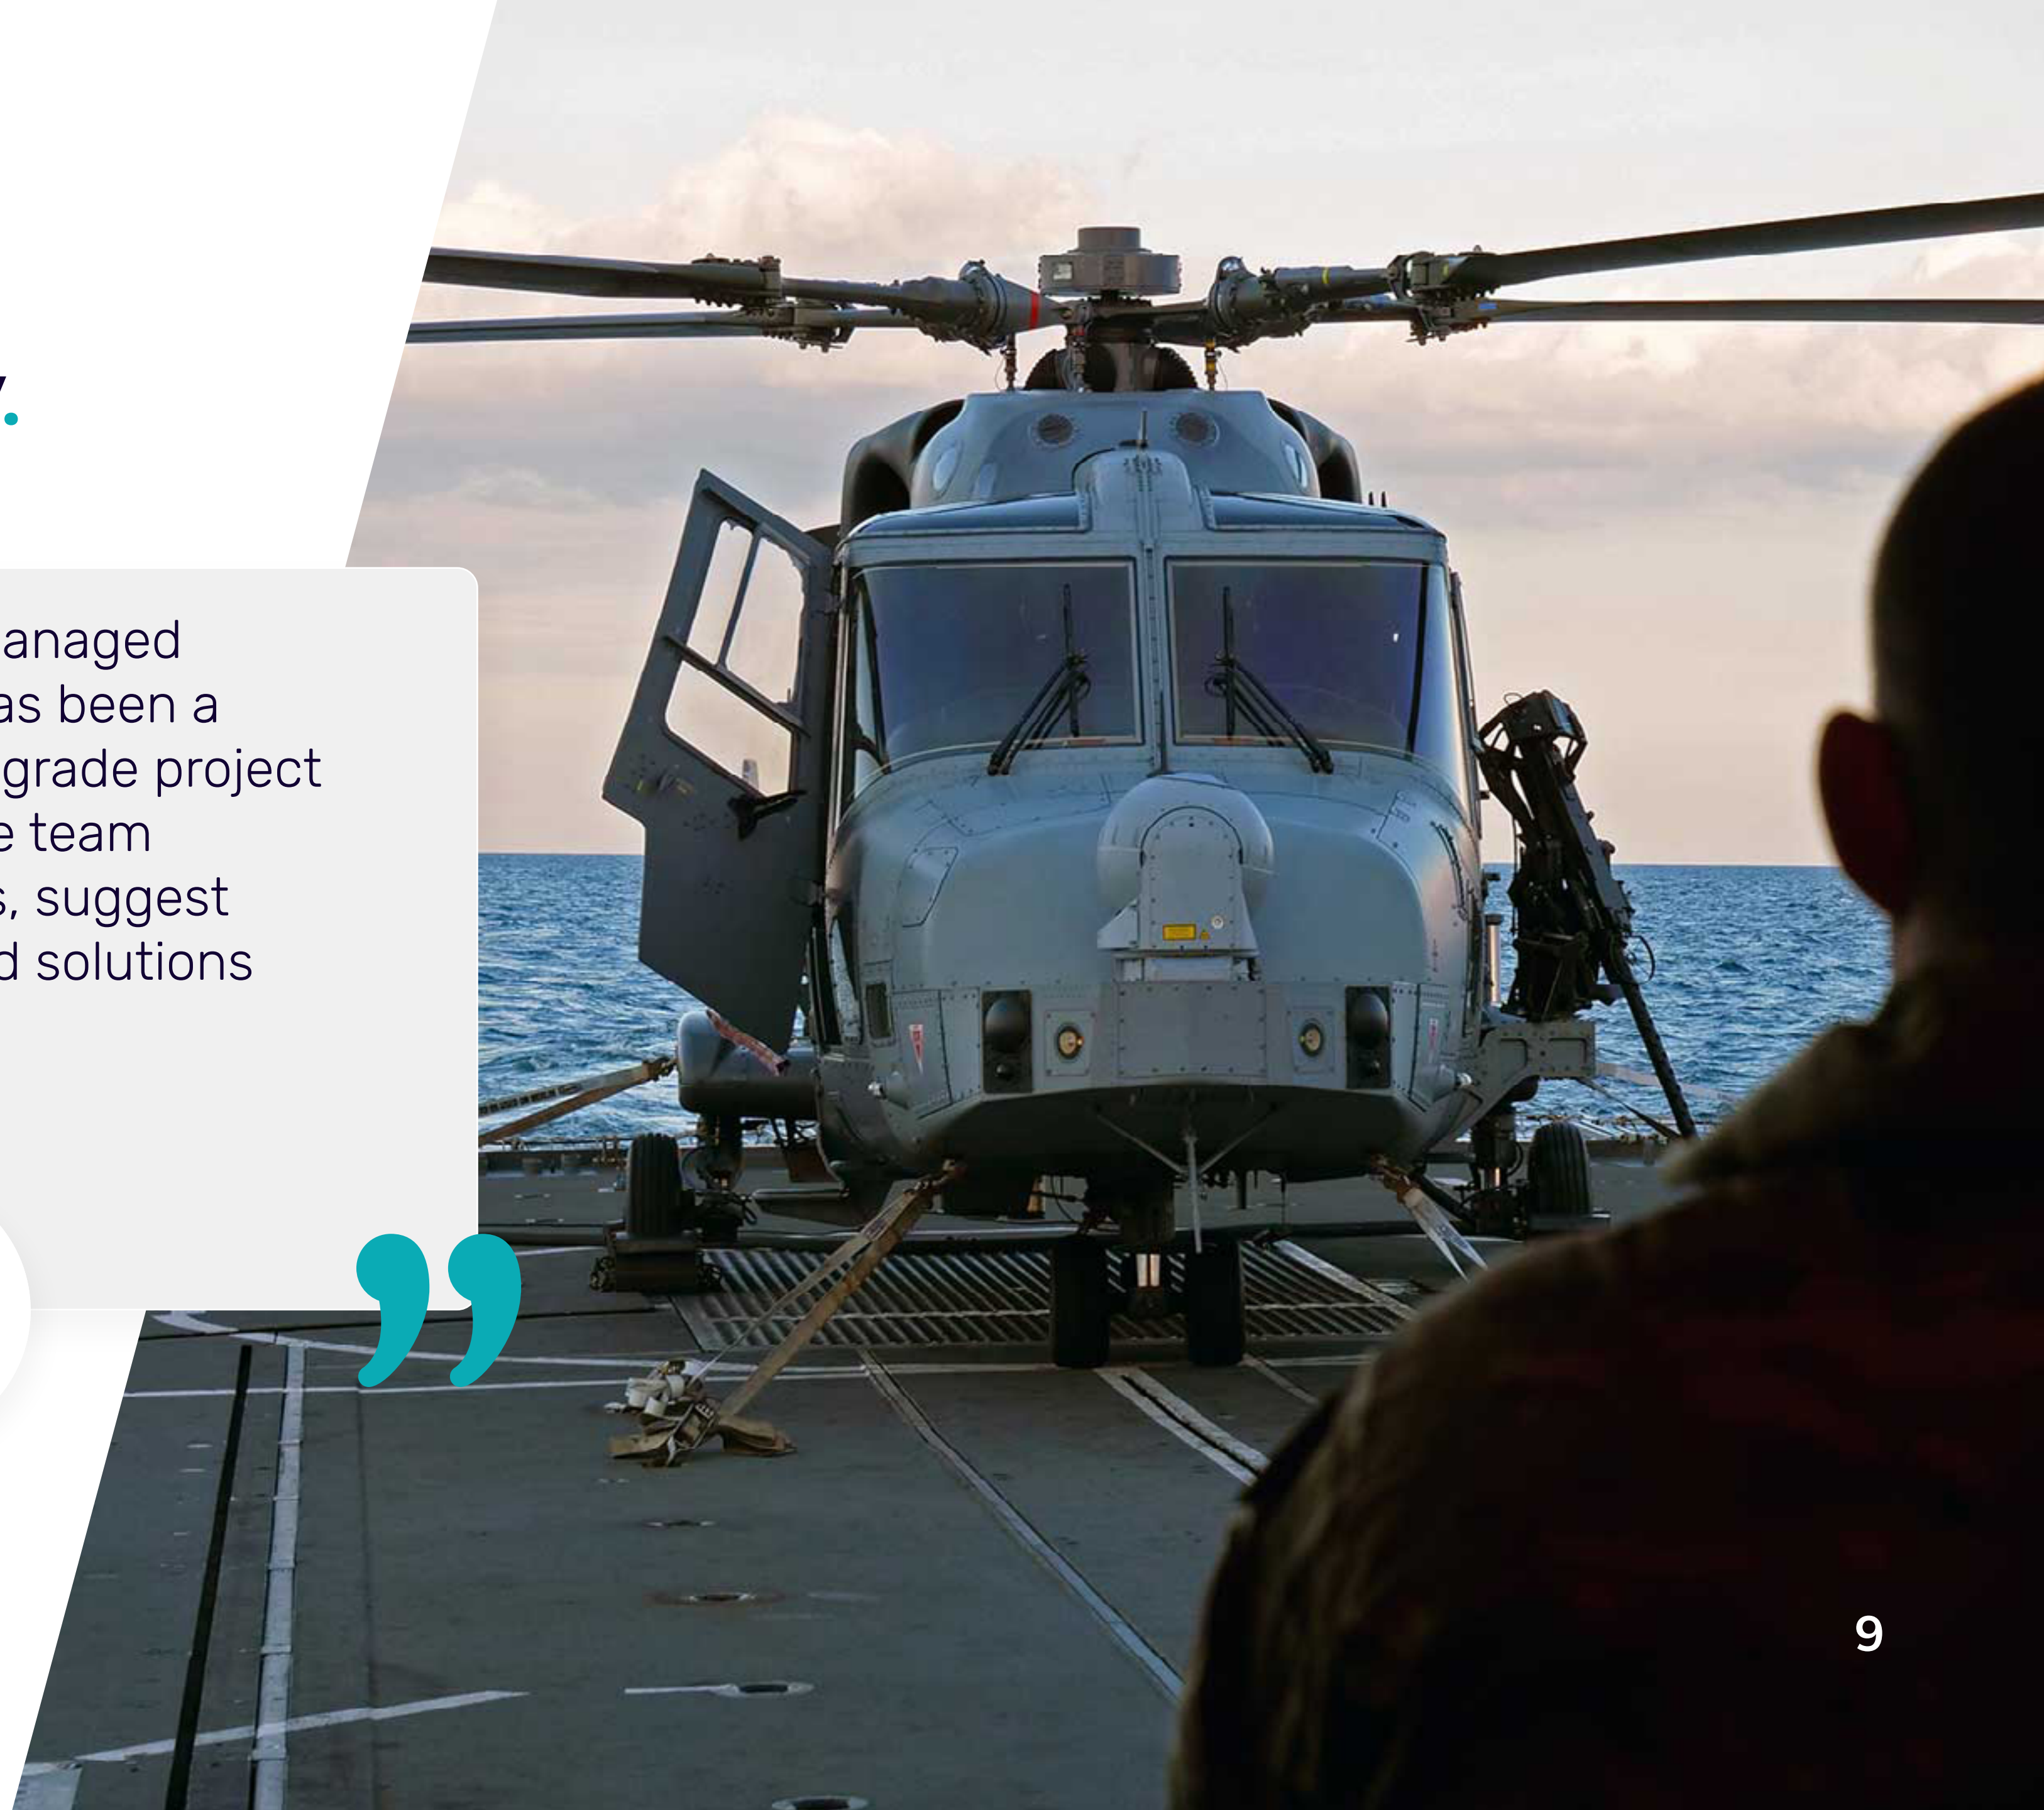

Working with Anthesis, both from a Managed Services and upgrade perspective, has been a positive experience. The technical upgrade project was managed extremely well, and the team were able to identify and fix problems, suggest options for any gaps, and recommend solutions throughout.
